

SAT SUMMER INTENSIVES 2025

June 9 to August 22 | IN-PERSON in [Apquieong](#) & LIVE ONLINE worldwide

For over a decade, our flagship SAT intensive program has helped students reach – and often exceed – their goals. Classes cover every inch of the test, fusing deep strategy with real academic skills, and are followed by structured Study Care sessions led by our TA mentor team. Join us this summer in-person or online as we push for high scores & lasting skills. Here's a preview of what's in store!

INSTRUCTOR

Robert Michael Lewis
Ed.M. Harvard University
Director, Prepped
20+ years leading thousands of students to top scores

OUR EXCLUSIVE DIGITAL SAT PLATFORM | www.preppedsat.com

Our robust test platform has helped students worldwide to SAT success. Prepped exams don't just gauge scores—they're tough tests that teach. This summer is your chance to study directly with the expert who crafts each question, Robert, and gain an insider's perspective on how to avoid test-maker traps.

Prep with the best, score above the rest.

Boost your SAT® score with high-difficulty practice exams & expert guidance.

THE BEST VOCAB SYSTEM, PERIOD.

Vocab will make or break your SAT score. That's why we take a scientific approach to building word power.

Robert's Extremely Nerdy Guide to Digital SAT Vocabulary

Our innovative textbook organizes the top 1700+ academic words—chosen by statistical analysis of past tests—both thematically and by frequency, with synonyms grouped for quick memorization. [View on Amazon](#) [View on Kyobo](#)

Vocab Boost!

A daily session of SAT Word-in-Context questions with high-energy, interactive review. Students memorize words so they stick, learning techniques such as mnemonics, morphemes, semantic mapping, and context clue decoding.
